Counsel for the State of Texas

Pursuant to Tex. R. App. P. 70.4, the State of Texas asks for leave to file a reply brief to appellant's brief on discretionary review. The State's reply brief does not raise any additional points, but appellant's brief on the merits has raised several points that merit a response. The State's reply brief is 1,077 words. The case is set for submission on July 24, 2019. The State believes this brief will aid the court in its decisional process and will not result in any delay to the case.

The State asks this Court to accept and file the State's reply brief, which was submitted via e-file on July 23, 2019.

Respectfully submitted,

/s/ Patricia McLean
